Laleggera chair

Designer: **Riccardo Blumer**

Manufacturer: **Alias**

£558

DESCRIPTION

Laleggera stackable chair by Riccardo Blumer for Alias.

Stacking chair made from a combination of traditional material, solid wood and filled with contemporary light polyurethane foam.

In 2009, the project became part of the permanent collection of the MoMA in New York.

5-year warranty included.

DIMENSIONS

44w x 49d x 46/79cmh

MATERIALS

A solid wooden structure veneered in natural maple or oak or colour stained in light grey, black or dove grey. Also available upholstered in Pelle and synthetic leather.

The internal voids of the chair are injected with structural polyurethane foam making it extremely light.

Please note, only select a colour when choosing either a stained or matt lacquered finish.

Pelle Frau leather: **B004, B020, B026, B056, B057 or B080.**
