

Metsälampi Blanket

Manufacturer: **Lapuan Kankurit**

£158

DESCRIPTION

Metsälampi Blanket by **Akira Minagawa** for **Lapuan Kankurit**.

Lapuan Kankurit weave honest and high-quality textiles that are inspired by the pure and rugged nature of the Nordic countries.

The Metsälampi Blanket is meticulously woven from high-quality mulesing-free merino wool, resulting in a blanket which is both lightweight and warm. It features a graphic design in black and grey which makes a subtle statement whether draped over a sofa armrest or used as additional bedding.

DIMENSIONS

130 x 200cm

MATERIALS

Made of 100% Merino wool.

All yarns are spun as well as dyed in Europe according to REACH regulations and fulfil the ÖKO-TEX certificate requirements.

Lapuan Kankurit oversees every step of production. Most processes, including weaving, finishing, and inspection, take place in their Lapua mill, with sewing done in Finland or their Lithuanian subsidiary.
