

Leonardo Table

Designer: **Achille Castiglioni**

Manufacturer: **Zanotta**

£2,545

DESCRIPTION

Leonardo Table by **Achille Castiglioni** for **Zanotta**.

The table evokes the designs of traditional workbenches and trestles, a design forged through practicalities and functionality, rather than an architect or designer. It is essential, simple and carefully crafted: properties which arise in all of Zanotta's pieces.

The working table features natural varnished steam-treated beech trestle legs and is available with a 2.5cm thick white plastic laminate or 1.2cm tempered plate glass top.

The trestle legs are height adjustable to 5 positions.

DIMENSIONS

Single trestle leg - 86w x 51d x 63-89cmh

Table with 2 trestle legs and top - 200w x 100d x 65-91cmh

MATERIALS

Natural varnished steamtreated beech trestle. Top coated with white plastic laminate, or with tempered plate glass.
Adjustable height.
