

Ceiba coat hanger, 2016

Designer:**Luis Arrivillaga**

Manufacturer:**Living Divani**

£1,883

DESCRIPTION

Ceiba coat hanger by **Luis Arrivillaga** for **Living Divani**.

Wooden coat hanger with a graphic outline.

The Ceiba coat hanger consists of four elements of various heights that are joined together by a central rod. Each element can be placed in various positions, although the recommended angle is 90 degrees.

DIMENSIONS

55w x 55d x 165cmh

MATERIALS

The structure is made from solid ash wood, available in a natural finish or charcoal dyed. The spacer rings that are placed between the elements are always in black phosphate coated steel. Plastic feet.
