DESCRIPTION

Dumas armchair by **Piero Lissoni** for **Living Divani**.

Dumas is a comfortable armchair with a generous and padded form, part of the Dumas range of sofas designed by Piero Lissoni.

DIMENSIONS

92w x 87d x 40/76cmh

MATERIALS

The Dumas armchair has a backrest made from double-panelled fir-wood and armrest and seat frame made from multi-layer poplar wood, padded in polyurethane foam covered with acrylic fibre. The seat is sprung with coated rubber elastic straps and has padding in polyurethane foam covered in 100% polyether thermally bonded onto a polyamide velveteen backing.

Available with fabric or leather upholstery. The fabric upholstery is fully removable by zippers and Velcro fastenings. The leather upholstery is not removable. Material samples are available at our shop or showroom.

Seat cushions in differentiated density polyurethane foam and Visco-soft, covered with goose down stitched into separate compartments and covering in needle punched, resinated, non-woven polyester fibre, bonded onto a polyamide velveteen backing. Backrest cushion with goose down, stitched into separate compartments, with polyurethane foam insert.

Feet available in either tubular steel in a bronzed powder-coated finish or in solid wood veneered stone oak. Both versions with black PVC tips.
