

Rod System, 2016

Designer: **Piero Lissoni**

Manufacturer: **Living Divani**

£10,218.33

DESCRIPTION

Rod Modular System by **Piero Lissoni** for **Living Divani**.

The Rob system characterised by its thin back and light shell is now available as a modular version. Combine modules to build the sofa system of your choice and tailor to your space.

Available in standard configurations or customisable with a range of modules of your choice. Add a side table or design the shape of the configuration to suit your needs with this flexible modular system. Please view the available modules in the product specification pdf and available fabrics in the downloads section or enquire for assistance from our team and for bespoke pricing.

Composition 03: 546w x 374/387d x 38/70cmh

Rod System + Rod Bean/Composition 01: 451w x 139/162d x 38/70cmh

Rod System + Rod Bean/Composition 02: 537w x 86/139d x 38/70cmh

MATERIALS

Supporting structure in lacquered drawn tubular steel, seat sprung with coated rubber elastic straps and padding in polyurethane foam. Backrest and armrest structure in layered HPL panel.

Covering in 100% polyether, thermally bonded onto a polyamide velveteen backing.

Backrest and seat cushions, joined together by zipper, in prewashed and sterilized goose down stitched into separate compartments, with differentiated density polyurethane foam insert. The seat cushions are quilted with buttons at sight. On request, seat cushions available quilted without buttons. Armrest cushions in polyurethane foam covered with prewashed and sterilized goose down stitched into separate compartments, with a poplar plywood supporting panel, fixed to the frame by plug-in hinges.

Stainless Steel feet, matt-satin finish, polished or lacquered with epoxy powder coating burnished colour or gunmetal grey colour, screwed to the base with a bushing and with adjustable black PVC tips.

Fabric or leather upholstery, both fully removable by zippers and Velcro fastenings.

Table to be used in composition with MDF structure, veneered with Stone Oak® plates, with acrylic paint finish.

Please view the PDF in the download section.
