

Sumo Two-Seat Sofa, 2021

Designer:**Piero Lissoni**

Manufacturer:**Living Divani**

£10,581

DESCRIPTION

Sumo Two-Seat Sofa by **Piero Lissoni** for **Living Divani**.

Described by Living Divani as a tribute to the essence of elegance, the Sumo sofa is a modern seating system with exaggerated proportions.

Characterised by its streamlined form and low presence, the sumptuous cushions sit on a flat, slender base, elevated from the ground on slim aluminium legs.

The seat is available with an optional reclining backrest.

The sofa is part of the Sumo family, which comprises a table/bench, an armchair, a straight based sofa and a lenticular sofa.

DIMENSIONS

260w x 96d x 55/65cmh

The backrest is available fixed or with a headrest mechanism that can be adjusted to various positions, up to a maximum height of 82 cm.

MATERIALS

Tubular steel frame with epoxy powder coating col RAL-K7 8025.

10 mm thick emptied HPL panel veneered base, edged with Canalettoalnut “rigatino” with water-based acrylic paint finish.

Cushions crafted from polyurethane foam that has been covered in 100% polyether that has been thermally bonded onto a polyamide velveteen backing and a felt pad to protect the seat cushion.

Armrest structure and backrest with differentiated density polyurethane foam structure, covered with a mat in prewashed and sterilized goose down, stitched into separate compartments for improved shape retention.

Covers are fully removable by zippers and Velcro fastenings.
