

Long Bench Three

Manufacturer: **Another Country**

£735

DESCRIPTION

Long Bench Three by **Another Country**.

Constructed from a simple structure of trestle base and solid wood top; the Long Bench is inspired by the utilitarian forms of industrial furniture. The joint where these two elements meet is a working detail, kept visible in celebration of its form.

The bench works perfectly as a seating solution alongside Dining Table Three. It is an equally confident addition to hallways, bathrooms, bedrooms and commercial environments.
