

Longframe 439 outdoor chaise

Designer: **Alberto Meda**

Manufacturer: **Alias**

£1,794

DESCRIPTION

Longframe 439 outdoor chaise by **Alberto Meda** for **Alias**.

A lightweight and strong chaise longue with arms for additional comfort. Frame made of extruded aluminium profiles and die-cast aluminium elements. Designed with a curved slimline structure for comfort and style.

The Longframe 419 outdoor chaise without arms is also available, see the Product range below.

2-year warranty included.

DIMENSIONS

66w x 146d x 42/82cmh

MATERIALS

The frame is lacquered aluminium, available in a range of colours in a smooth , textured or metallic finish. These can be paired with mesh in the following colour categories:

Mesh A: white (R009), black (R007), grey melange (R028)

Mesh B: light grey (R003), dark grey (R006), cipria sand (R011), metallic grey (R020), coral red (R024), or aubergine (R025).

See product pdf for mesh and stove-enamelled colours.
