

Loop Desk

Designer: **Barber Osgerby**

Manufacturer: **Cappellini**

£3,600

DESCRIPTION

Loop Desk by **Barber Osgerby** for **Cappellini**.

Designed whilst still at college in 1998, the Loop table is Barber & Osgerby's first venture into furniture. The writing desk was designed to allow them ample integrated space on the worktop to store paperwork, documents and magazines.

The charming desk, with its oblong silhouette, is made from birch plywood. It is lacquered in a range of contemporary colours, with the base available in either satin stainless steel or matt varnished black.

The design emphasises clean lines and the restrained use of materials, with an evident contemporary sensibility.

An excellent desk solution with storage to hold your stationery and other needs.
Suitable for domestic use.
