

Lotus High Chair

Designer: **Jasper Morrison**

Manufacturer: **Cappellini**

£2,650

DESCRIPTION

Lotus High chair by Jasper Morrison for Cappellini.

Designed by Jasper Morrison in 2006, the Lotus High chair offers fantastic support with its flexible beech plywood seat and foam padding in luxurious leather padding. The office chair is stylish yet functional, making it perfect for the office or home workspace.

The chair offers both swivelling and tilting, allowing the user to adjust the seat to find their desired position for comfort. The armrests are complete with padding ensuring comfort when resting your arms.

The pricing example is for an armchair with high back 5-caster base with armrests. Please **enquire** for more items in this extensive range of chairs with low, medium or high backs, with or without armrests and with or without castors.
