To celebrate its 150th Anniversary, Louis Poulsen has released Arne Jacobsen's iconic AJ Mini Light in a special colour way.

Initially designed for the SAS Royal Hotel in Copenhagen (now Radisson Blu) in 1957, the AJ Mini Table Lamp showcases a graphic design that perfectly embodies Jacobsen's design aesthetic.

In this special edition, the AJ Mini features brass accents for the first time, fated to develop a unique patina, providing the lamp with its own unique character.

With a timeless white exterior, the lamp effortlessly fits into any interior setting, while its pale rose matte interior provides a soft, inviting glow.
