

Keglen Floor

Designer: **Bjarke Ingels Group**

Manufacturer: **Louis Poulsen**

£805

DESCRIPTION

Keglen Floor by **Bjarke Ingels Group** for **Louis Poulsen**.

Designed by BIG Ideas, the Keglen Floor lamps shares the same geometric, conical shade as the rest of the Keglen series.

The lamp's slender stem elevates the aluminium shade and connects to the built-in, curved glass diffuser that has been designed to resemble a drop of water.

The lamp emits both a glare-free and downward directed light and a discreet gentle light from the opening at the top of the shade.

DIMENSIONS

40dia x 138cmh

Base: 30cm

MATERIALS

Spun shade made from aluminium.
