

NJP Mini Table Lamp

Designer:**Nendo**

Manufacturer:**Louis Poulsen**

£470

DESCRIPTION

NJP Mini Table Lamp by **Nendo** for **Louis Poulsen**.

The NJP Mini Table Lamp is a small desk lamp that emits a glare-free, softly diffused downward directed light. Despite its small size, it offers a wide light distribution, reflected by the inside of the painted white shade.

A member of the NJP family, the light shares the same shaped shade as the rest of the range. Its slender arm holds a fixed angle of 15° and can rotate 342° around the base, while the head can tilt and rotate to adjust the light distribution.

The light fades in at a fixed light level when turned on, fades out when turned off, and has a timer function to turn off the light after four or eight hours automatically. It also features a stepless dimmer, which allows the light to be adjusted between 15% - 100%.

DIMENSIONS

Shade: 12dia cm

Base: 16 diacm

Height: 41.5cmh

Cable: 250cm
