DESCRIPTION

Patera Oval Pendant by **Øivind Slaatto** for **Louis Poulsen**.

Sharing the same design principles as the classic Patera, the oval pendant offers new opportunities for display.

Designed in 2021, the matt white shade is built from carefully designed diamond-shaped cells that reflect glare-free light whilst emitting 360 degrees of illumination.

On the base of the ellipsoid shade is a circular opening that provides direct, downward light, making the pendant well suited for hanging above dining tables.

The lamp is accompanied by a removable diffuser plate.
