

Panthella Mini table lamp, 1971

Designer: **Verner Panton**

Manufacturer: **Louis Poulsen**

£425

DESCRIPTION

Panthella Mini table lamp by **Verner Panton** for **Louis Poulsen**.

The Panthella light perfectly expresses Verner Panton's pop design ethos. This iconic design is now available in a range of bright colours that reflect Panton's vivid and playful use of colour, including a new finish added to the range in 2018: a high-lustre chrome-plated version.

The Panthella light is designed to emit a soft and comfortable diffused light. The shade form directs light directly downwards to softly illuminate its surroundings, assisted by the white-painted inner of the shade and the reflective capacity of the trumpet-shaped stem.

Also available as a **table light** in white and as a **floor light**; see 'More products in this range' below.

DIMENSIONS

25dia x 33.5cmh

Base: 15.5dia

MATERIALS

The shade is made powder-coated spun-steel (coloured versions) or from vacuum-formed opal acrylic (Opal shade only). Aluminium base.

Available in the following colours: opal, orange, black, white, pale rose, pale blue, coral, high lustre chrome plated and brass.

Supplied with 2.5m plastic-covered cord. LED Driver is separate and plugs into the power outlet. In-line switch on cord offers the option of three different light levels.

Light source: 10W LED 2700K 45lm/W (**included**). IP 20.
