

Panthella Portable Lamp

Designer: **Verner Panton**

Manufacturer: **Louis Poulsen**

~~Was £275~~ Now £233

DESCRIPTION

Panthella Portable Lamp by **Verner Panton** for **Louis Poulsen**.

First designed in 1971, the Panthella 160 and 250 lamp is enhanced with wireless functionality making it portable and easy to carry. The lamp emanates a soft and comfortable diffused light without any glare. The hemispherical shade form directs light downwards while the shade material allows light to gently diffuse and illuminate the surroundings providing a subtle ambience.

The portable lamp comes with a USB cable. An optional adapter is available to purchase.

DIMENSIONS

16dia x 23cmh

25dia x 33.5cmh
