DESCRIPTION

Panthella 160 Portable Lamp V2 by **Verner Panton** for **Louis Poulsen**.

First designed in 1971, the Panthella 160 lamp is enhanced with wireless functionality making it portable and easy to carry. The lamp emanates a soft and comfortable diffused light without any glare. The hemispherical shade form directs light downwards while the shade material allows light to gently diffuse and illuminate the surroundings providing a subtle ambience.

The V2 Panthella 160 Portable is available in White Opal, Gey Opal, Pale Blue Opal and Pale Rose Opal finishes. The new portable version can also be wirelessly charged with a Qi wireless charger. The AA NiMH batteries can also be replaced ensuring that the V2 Panthella portable lamp lasts a lifetime.
