

VL Ring Crown pendant

Designer: **Vilhelm Lauritzen**

Manufacturer: **Louis Poulsen**

£2,675

DESCRIPTION

VL Ring Crown pendant light by **Vilhelm Lauritzen** for **Louis Poulsen**.

Originally conceived in the 1940s by preeminent Danish architect Vilhelm Lauritzen, the Ring Crown pendant light was designed on commission for the Danish Broadcasting House in Copenhagen, and later adopted by architect/designer Finn Juhl for his interior design of the Bing and Grøndahl porcelain factory. Relaunched in 2019 from the original drawings, the Ring Crown pendant light remains true to the early design.

DIMENSIONS

3 shades: 55dia x 23.3cmh

5 shades: 69dia x 23.3cmh

7 shades: 89.3dia x 23.3cmh

MATERIALS

Made of untreated polished brass, the frame and canopy will develop a unique patina over time.

Each of the shades are made of mouth-blown, three layered polished opal glass to emit a gently diffused downlight.

The authenticity of the design brings a distinct and timeless style to contemporary interiors.

Supplied with a 4-metre fabric cable in white. Please **enquire** for details

Light source: 3/5/7 x 40w E27 bulb (**not included**). IP 20 rating.
