

Flo Lounge Lamp

Designer: **Foster and Partners**

Manufacturer: **Lumina Italia**

£694

DESCRIPTION

Flo Lounge Lamp by **Foster + Partners** for **Lumina Italia**.

The Lumina Flo Lounge lamp, a creation by Foster + Partners, embodies the distinctive features of the rest of the Flo range.

Equipped with a 3W LED dual luminous power, the Flo Lounge has an arm height of 100 cm. Its head offers a versatile adjustment range of 300°, complemented by the arm's rotation of 120° over the base. The LED and its corresponding heat sink are cleverly concealed within the lamp head, fabricated using the latest generation of numerical control (CNC) machinery during their construction.

The Flo Lounge lamps are versatile in application, and suitable for both residential spaces and public venues like lounge areas (as exemplified by the Kulm Eispavillon in St. Moritz), airports, waiting rooms, and hotel halls.

DIMENSIONS

23dia x 42d x 100cmh

Please refer to the product specification in the 'Product Downloads' area for more details.

MATERIALS

Available in the following colours:

Black Soft-Touch

Black Classic

Matt Red

Matt White

Matt Yellow

Metallic Bronze

Brushed Nickel

Gunmetal

Light source:

3W LED, 2700K or 3000K

Dimming:

2-step push button dimming on the head

Please note:

A 2700K light emits a cosy, yellow-toned glow, while a 3000K light provides a crisp, white light. The 3000K lighting is ideal for lively spaces such as home offices, hallways, bathrooms, and kitchens.

The 2700K lights are better suited for areas where a warm and relaxing ambiance is desired, like the living room, dining room, and bedroom.

Please note: This is a CE-approved product and should only be used in countries that accept and adhere to this standard. If used in other countries, it will be the sole responsibility, risk and liability of the customer.
