

Flo Wall Light

Designer: **Foster and Partners**

Manufacturer: **Lumina Italia**

£359.17

DESCRIPTION

Flo Wall Light by **Foster + Partners** for **Lumina Italia**.

The Lumina Flo Wall designed by Foster + Partners features the same minimalist profile that characterizes the Flo family. This lamp is purposefully designed for spaces requiring focused illumination without causing disruption to nearby individuals. A prime application for this fixture is as a bed head or wall-mounted over bedside tables.

The Lumina Flo Wall features a varnish-coated aluminium and steel construction. The head rotates by 300°, and the arm pivots by 90°+90°. The 3W LED can be switched on with one click for full light intensity, with two clicks for half light intensity.

Versatile in its use, the Flo Wall seamlessly complements both residential and contract projects, such as hotel rooms. The Wall M version is hardwired with a concealed power cable, whereas the standard Wall version comes with a visible power cable.

DIMENSIONS

Arms: 15/36 cm

MATERIALS

Available in the following colours:

Black Soft-Touch

Matt Black

Matt Red

Matt White

Matt Yellow

Metallic Bronze

Brushed Nickel

Gunmetal

Light source:

3W LED, 2700K or 3000K

Dimming:

2-step push button dimming on the head

Note:

A 2700K light emits a cosy, yellow-toned glow, while a 3000K light provides a crisp, white light. The 3000K lighting is ideal for lively spaces such as home offices, hallways, bathrooms, and kitchens.

The 2700K lights are better suited for areas where a warm and relaxing ambiance is desired, like the living room, dining room, and bedroom.

Please note: This is a CE-approved product and should only be used in countries that accept and adhere to this standard. If used in other countries, it will be the sole responsibility, risk and liability of the customer.
