

Daphinette Table Lamp

Designer: **Tommaso Cimini**

Manufacturer: **Lumina Italia**

£425

DESCRIPTION

Daphinette Table Lamp by **Tommaso Cimini** for **Lumina Italia**.

The Daphinette presents as a freestanding lamp expertly crafted for illuminating and enhancing compact spaces. Its compact size and precisely balanced proportions grant it exceptional adaptability. Featuring a single-segment arm and a petite base, it looks great on desks, coffee tables, or shelves.

Great for contract use, it has gained acclaim for its minimalist design, distinct character, and top-notch technical performance. Its primary application involves spotlighting in diverse venues like hotel foyers, libraries, conference spaces, banks, and reception areas.

DIMENSIONS

Base: 9.5dia x 8cmh

Arms: 35cm

Please refer to the product specification in the Product Downloads area for more details.

MATERIALS

Available in the following colours:

Black Soft-Touch

Black Classic

Matt Red

Matt White

Matt Yellow

Metallic Bronze

Brushed Nickel

Light source:

5W LED, 2700K or 3000K

Dimming:

Not included

(On/off switch)

Note:

A 2700K light emits a cosy, yellow-toned glow, while a 3000K light provides a crisp, white light. The 3000K lighting is ideal for lively spaces such as home offices, hallways, bathrooms, and kitchens.

The 2700K lights are better suited for areas where a warm and relaxing ambiance is desired, like the living room, dining room, and bedroom.
