

Theca Sideboard, 2013

Designer: **Ronan and Erwan Bouroullec**

Manufacturer: **Magis**

£1,387

## DESCRIPTION

**Theca sideboard by Ronan + Erwan Bouroullec for Magis.**

The Magis range of sideboards offers practical storage in the form of a sleek and minimal cabinet which reflects the Bouroullec brothers' continued interest in applying industrial technology to domestic objects.

The simple construction of the sideboard is expressed with visible screws that fix the wooden elements to the punched aluminium sides.

Theca comes in a low and a high model, each of which is available in widths of 90cm and 120cm. The high model has a shelf of the same finish as the base and top.

## DIMENSIONS

Low models:

90w x 43d x 55cmh

120w x 43d x 55cmh

High models:

90w x 43d x 78cmh

120w x 43d x 78cmh

Shelf height: 21cm from the top.

## MATERIALS

The shell of the sideboard and its sliding doors are made from stamped and moulded aluminium, which is available in anodised natural or black (RAL 5130) finishes.

The top and base of the cabinet and an internal shelf (for the larger model) are available in solid wood or veneered MDF in the following finishes: natural cherry wood (natural aluminium only), black stained ash (black aluminium) or natural walnut (black aluminium).
