

## Costume Sofa, Composition 3

Designer: **Stefan Diez**

Manufacturer: **Magis**

£7,447

### DESCRIPTION

**Costume sofa, composition 3** by **Stefan Diez** for **Magis**.

The Costume sofa by Stefan Diez is fully modular and allows you to create your very own configuration by interlocking each module together with the colourful plastic connectors and adding optional ottomans and armrests.

With a 4mm thin structure made from recycled and recyclable polyethylene, and a fully removable cover available in 3 fabric categories - Costume is both sustainable and practical.

Costume sofa, composition 3 includes two armless modules, two modules with armrests, and one ottoman as seen in the first image in the carousel.

Costume may be upholstered in a range of fabrics selected by Magis from the materials section. Plastic connectors are available in orange, blue, and black. See the accompanying PDF for recommended configurations and fabric swatches.

The Costume series, designed by Stefan Diez, is now Greenguard and Greenguard Gold certified. Greenguard certifications are recognised globally as a warranty for products with low chemical emissions.

**Please note:** the Costume sofa is available in a number of configurations, please **contact us** for further information.

## DIMENSIONS

177w x 168d x 76cmh

## MATERIALS

The body of Costume is made from recycled and recyclable polyethylene that is produced using moulding technology from car and furniture industry waste. An insert made of pocket spring cores provides the cushioning for the seat and backrest. On top of this is a thin layer of polyurethane foam, which is then covered with a fabric cover of your choosing.

The cover is fully removable, and is available in the following collection of fabrics in a selected range of colours:

**Fabric cat. 1** - Fidivi One: 1506, 2519, 4037, 4503, 4566, 8504

**Fabric cat 2** - Tori Lana Dato: 087, 263, 282, 283, 284, 302, 304, 306

**Fabric cat 3** - Kvadrat Uniform Melange: 103, 153, 193, 293, 583, 623, 683, 793, 963, 993
