

Malmö sideboard MLM312, 2018

Designer: **Mario Ruiz**

Manufacturer: **Punt**

£2,340

DESCRIPTION

Malmö sideboard MLM312 by Mario Ruiz for Punt.

The modular Malmö sideboard brings an understated elegance to any chosen space, functioning as a traditional sideboard or a refined media unit. The versatile credenza is adaptable to any living space as a result of the numerous configurations available.

Pricing example is for a **sideboard with one double door and one individual door on a 29cmh plinth**. Available in a wide range of configurations and finishes, please view the pdf spec sheet available in Product downloads which shows a range of suggested compositions, or contact us to discuss your personal requirements [here](#).

Internal drawers can also be added to the configuration.

DIMENSIONS

172.9w x 44.5d x 40.3cmh (unit without plinth)

116.6w x 41d x 29cmh (plinth)

MATERIALS

The rectangular wooden unit features both a double and single door panel that hinge downwards at a 90° angle and is gracefully supported by a geometric plinth in a textured powder-coated steel finish.

Optional door panels are available, the precious material complimenting the gentle wooden curves of the sideboard. Made of MDF with a high-quality super matt oak or walnut veneer, choose from a black or white plinth with floor-leveling adjustable feet. The front panels are available in: black, white or bronze lacquered glass, natural aluminium, gold, bronze or pale rose anodised aluminium.

Please note, super matt oak with natural aluminium is an exclusive colourway to twentytwentyone and can be viewed in-store.
