

Fugu dining chair, 2019

Designer: **Jasper Morrison**

Manufacturer: **Maruni**

£1,140

DESCRIPTION

Fugu dining chair by **Jasper Morrison** for **Maruni**.

"The Fugu dining chair extends the family from lounge chairs to the table. The goal has been the same, to achieve a level of comfort with solid wood seat and back so that no upholstery is needed, maintaining the pure lines and the expression of a single material purposefully arranged." Jasper Morrison.

Launched at the Milan Salone 2019, the Fugu dining chair is expertly crafted from gently curved solid ash or oak and is available with or without arms.

DIMENSIONS

Without arms: 46.8w x 53d x 44.5/78.7cmh

With arms: 56.6w x 53d x 44.5/78.7cmh

MATERIALS

The wood frame is available in a range of finishes: oak with a clear, whitish or natural black urethane finish, or ash with a whitish or natural black urethane finish.

The wood used in this product is obtained from oak or ash trees in North America that are managed and felled in a planned manner.

See the downloadable sheet for samples of Maruni wood finishes.

The coating and glue used here reduce VOC emissions in manufacturing processes and finished products.
