DESCRIPTION

Margas Pouf | LC5 by Louise Liljencrantz for &Tradition.

The LC5 pouf was introduced to the Margas collection in 2024, complementing the collection as an additional seating option or complementary footrest.

The collection, named in honour of Liljencrantz's grandmother, Marga von Dardel, whom the award-winning designer considers her role model, was conceived during a residential project for a private client. Liljencrantz needed a curved sofa that could command attention at the centre of the room while maintaining a balance of playfulness and sophistication.

The LC5 is available in various materials, allowing for customisation to suit your space.
