*This item is a one-off clearance item to be sold on a first order, first served basis.*

The Chispa collection is perfect for outdoor use as it is portable, rechargeable and cordless. Designed by Joan Gaspar, the lamp is waterproof with IP44 accreditation.

The design takes inspiration from garage lamps, with emphasis on quality, lightness and utility. The light comes with three settings for illumination and produces sophisticated, warm light perfect to create a light lowkey ambience. The light is provided with a hanging accessory as well.

Available in black.

### DIMENSIONS

10dia x 17.8cmh

## MATERIALS

Coloured polycarbonate base and structure, with white opal polyethylene diffuser. A metal semi-hoop for hanging the lamp is housed in the base which is partially coated with black rubber to protect, as well as the charging area.

Micro-USB-C type charging cable. Waterproof switch protected by a black rubber. Included are a hanging accessory composed by a black cord, a hook and a metal piece that allows to hang the Chispa lamp in different heights.

Available in black and blue.

**Bulb (included):** 3.5W LED SMD 2700K CRI90, Class III 5V 1.5A IP44

Light source: 110lm (included)

Battery: 7 hours in peak power

14 hours at medium light output

28 hours in a quarter power

Charging time is 10 hours

USB-C Standard. Please note that the Chispa portable light ships with only a USB-C charging cord to reduce ecological footprint. The light can be charged with any USB port. No wall-plug is included.
