Ambrosia

Manufacturer: **Marset**

~~Was £796~~ Now £676

DESCRIPTION

Ambrosia by **Ciszak Dalmas** for **Marset**.

The Ambrosia pendant started life as a unique decorative piece for a luxury boutique in Madrid. Dalmas has revised the design to combine simplicity, functionality and aesthetics and has made the light modular and asymmetric, creating a soft and surprising lighting system.

The light fixture features a tubular structure with soft lines that connect to the ceiling, creating a gentle illumination that highlights any project. The diffused light it provides fills the space with an added touch of beauty.

Ambrosia is available in four pre-set lengths from 120 to 315cm. Extensions measuring 40 and 60cm are available against a surcharge. Please **enquire** for details.

The Ambrosia lighting system has won the iF DESIGN AWARD, an international accolade for design excellence held every year in Hannover, Germany.
