## DESCRIPTION

**Ledtube USB wall light** by **Daniel López** for **Marset**.

The Ledtube is a practical reading light, a valuable addition to your bedroom or living room. The compact design of the lamp means it can be folded into the wall and easily brought out again.

As the light was created 10 years ago it has been refreshed with a USB charging port. The update is to accommodate our new digital lives, where we automatically charge our devices at night.

## DIMENSIONS

7w x 18.9cmh

## MATERIALS

Injected aluminum structure and a frontal piece of transparent polycarbonate.

Incorporated switch to turn the lamp on when opened and off when folded away.

Light source: LED SMD 700mA 2.1W 2700K CRI80 226,5lm
