

Mini Ledtube wall light

Designer: **Daniel Lopez**

Manufacturer: **Marset**

£231

DESCRIPTION

Mini Ledtube wall light by **Daniel Lopez** for **Marset**.

Designed by Daniel Lopez for Marset, the Mini Ledtube is an evolution of what is considered to be one of the most functional lights from the Spanish lighting brand.

Sharing the same aesthetic and operative qualities of its predecessor, a glare-free light that can be adjusted in any addition, the Mini Ledtube has a reduced size, allowing it to have a more discreet presence.

The reading light is a valuable addition to your bedroom or living room and can be folded flat when not used.

Light source (included);

LED 3,6W 700mA

2700K

DIMENSIONS

4.5w x 11.3cmh

MATERIALS

Injected aluminium structure and a frontal piece of transparent polycarbonate.

Honeycomb grill to avoid glare.

Incorporated switch to turn the lamp on when opened and off when folded away.
