

Bohemia pendant light

Designer: **Joan Gaspar**

Manufacturer: **Marset**

£2,558

DESCRIPTION

Bohemia pendant lamp by **Joan Gaspar** for **Marset**.

The pendant light has an unusual undulating shape and is available in a range of exciting colours. It appears to be blown glass, yet is an innovative use of polycarbonate, creating the look and feel of glass, on a larger scale than it could achieve.

The colourful translucent exterior has no colour bleed to the light, creating an atmospheric warm white light.

The pendant is also available as an LED. Please contact us [here](#) for more information.

DIMENSIONS

84w x 41.5cmh
250cm drop

MATERIALS

Rotomoulded polycarbonate, translucent shade with two layers, with a white interior.

Recommended light source: E27 LED globe (120dia) 11W 2800K 1055lm.
