

Ginger C wall light, 2016

Designer: **Joan Gaspar**

Manufacturer: **Marset**

£286

DESCRIPTION

Ginger C wall light by **Joan Gaspar** for **Marset**.

The Ginger light features a lightweight disk-shaped shade which pays tribute to the drums of Ginger Baker of Cream, the 1960's rock band.

Wood is a material that is hard to mould, a challenge that the Ginger collection neatly resolves: The Light shade appears nearly flat thanks to layers of sheets of wood, paper and resins pressed together under high pressure.

The Ginger collection includes a floor and table lamp and pendant light.
