Manufacturer: **Marset**

DESCRIPTION

Ginger P floor light by **Joan Gaspar** for **Marset**.

The Ginger family features a disk-shaped shade inspired by the drums of Ginger Baker from the 1960s rock band Cream. The collection offers a range of sizes for suspension, tabletop, and floor models to meet different lighting requirements.

The range utilises innovative materials and technology, including layers of wood, paper, and resin that are moulded under high pressure to create a shade thickness of only 4 mm. Despite the challenges of shaping wood, Joan Gaspar has managed to produce a beautiful and intimate lamp that provides a warm and gentle glow.

The Ginger Floor Lamp instantly invites a cosiness to any space it is positioned, making it a versatile lamp suitable for residential and contracts use.
