DESCRIPTION

Ginger rechargeable table lamp by **Joan Gaspar** for **Marset**.

The Ginger table light features an extraordinarily lightweight light disk-shaped shade that pays tribute to the drums of Ginger Baker of Cream, the 1960's rock band.

The Ginger collection uses new materials and technology applied to the lighting sector: layers of wood and paper shaped under high pressure. The outcome is a lampshade measuring just 4 mm thick with a white interior to reflect the light and a high-quality wood finish on the outside.

The battery is concealed in the foot.

The Ginger collection includes pendant, wall and floor lighting.
