

Manhattan T5 Wall, 2005

Designer: **Joan Gaspar**

Manufacturer: **Marset**

£361

DESCRIPTION

Manhattan T5 Wall light by **Joan Gaspar** for **Marset**.

A collection of wall lamps with geometric designs whose main virtue is the rationality of its design and its ornamental free look. The shape makes the lamps suitable for vertical or horizontal installation.

DIMENSIONS

7.8w x 6.7d x 63.5cmh

MATERIALS

The lamps have been equipped internally with a silk-screened polycarbonate film to complement the high quality of the T5 fluorescent light source.

Bulb:

LED SMD 10.5W 2700K 832lm (**included**).

IP44 rated.
