Polo

Designer: **Joan Gaspar**

Manufacturer: **Marset**

£495.83

DESCRIPTION

Polo by **Joan Gaspar** for **Marset**.

The fluidity of Polo's movements and total stability make this flexible fitting a light source which can be moved anywhere without cluttering your desk or taking up too much valuable space.

Its astute design includes a ball joint system that allows for the precise direction of the light beam and a wheel switch, reminiscent of classic lamp designs, integrated into the top of the diffuser so it can be easily turned on and off.

Its integrated LED technology allows one to direct the beam with the utmost precision, for a light that is both focused and warm, yet highly useful.

DIMENSIONS

Lamp 4.5dia x 35w x 44cmh
Base 18cm dia
Clamp 8.5w x 10.5cmh
Table bracket 5dia x 9.5cmh
Floor base 26.5dia x 60.9cmh

MATERIALS

The Polo comes with a diffuser made from injected aluminium, arms and built-in swivel joints CNC milled from an aluminium block, and a rotary switch located in the upper part of the headstock.

Available in black, it is supplied with a choice of accessory: base, clamp, table or wall bracket, and, more recently, a floor stand, which makes it an ideal contender as a reading lamp.

Body and diffuser in lacquered aluminium.

A switch is incorporated into the diffuser.

Light source: LED SMD 350mA 6.3W 3000K CRI80 532.4lm (**included**).

Please note: This is a CE-approved product and should only be used in countries that accept and adhere to this standard. If used in other countries, it will be the sole responsibility, risk and liability of the customer.
