

TXL outdoor floor light, 2006

Designer: **Joan Gaspar**

Manufacturer: **Marset**

£2,151

DESCRIPTION

TXL outdoor floor light by **Joan Gaspar** for **Marset**.

The TXL lighting fixture, designed by Joan Gaspar for Marset, was created to introduce the inside to the outside. Its silhouette, redolent of a classic floor lamp with textile shade, can illuminate gardens and terraces with the same warmth and cosy indoor lamp-like glow.

The fixture has a concrete base that gives it a sturdy and seamless appearance, making it seem to be made from a singular one-piece construction, whilst its shade is made from Textilene, a malleable material highly resistant to water and harsh weather conditions.

DIMENSIONS

TXL 170: 58dia x 170cmh

TXL 205: 70dia x 205cmh

MATERIALS

Marset floor light with shade in white or brown textilene (woven PVC coated fabric for outdoor use) and slate base.

Bulbs:

TXL 170: 3 x E14 LED 5W (**not included**).

TXL 205: 2 x E27 LED standard 8W (**not included**).

IP65 rated.
