

Vetra pendant light, 2018

Designer: **Joan Gaspar**

Manufacturer: **Marset**

£909

DESCRIPTION

Vetra pendant lamp by **Joan Gaspar** for **Marset**.

Vetra takes the traditional glass blown pendant design and packs it with a surprise. The pendant uses a completely closed glass diffuser as reflector while creatively placing the light source outside. This advanced design allows the pendant to produce light without any glare. Much of the light is directed downwards while its design allows the rest of the light to filter inside the shade subtly lighting it.

The pendant is available in two different colour finishes.

The Vetra collection also includes a table and floor light. Please contact us **here** for more information.

DIMENSIONS

43dia x 19.8cmh, drop: 300cm

MATERIALS

Matte-finish blown glass shade in white or amber finish with lacquered aluminium dissipater.

Vetra 43: LED SMD 700mA 16,28W 2700K CRI90 1873lm
