

Ihana

Manufacturer: **Marset**

~~Was £1,313~~ Now £1,116

DESCRIPTION

Ihana by **Joanna Laajisto** for **Marset**.

The Ihana light is available in six standard sizes and offers an ambient light to any classic or contemporary interior. Ihana can be used as a singular piece or in multiples to create a unique light composition and the modular structure can be extended to include 14 diffusers, connected to a single point of light.

Ihana features dim to warm technology, allowing for you to regulate the intensity of the light as well as its colour temperature. This can vary from a warm white, 3000K, to an ultra-warm white (simulating candlelight), 1800K.

Ihana means "exquisite" in Finnish and was designed by architect, Joanna Laajisto, to illuminate her studio in a 19th-century building in Helsinki. With the aim to create a system, celebrating the beauty of light, Laajisto designed a sculptural lamp defined by its simple, almost graphic, forms and by exploring the balance between rigidity and fragility.

DIMENSIONS

x2 80: 99w x 30d x 80cmh

x2 100: 99w x 30d x 100cmh

x2 150: 99w x 30d x 150cmh

x2 200: 99w x 30d x 200cmh

x3 80: 168w x 30d x 80cmh

x3 100: 168w x 30d x 100cmh

x3 150: 168w x 30d x 150cmh

x3 200: 168w x 30d x 200cmh

MATERIALS

Metal structure with opal blow glass shade.

x2 light sources: LED SMD 700mA 16,4W 2700K CRI90 1826lm.

x3 light sources: LED SMD 700mA 24,6W 2700K CRI90 2739lm

Phase cut dimming.

Please note: This is a CE-approved product and should only be used in countries that accept and adhere to this standard. If used in other countries, it will be the sole responsibility, risk and liability of the customer.
