The Dipping table lamp seeks to offer more than just function, it conveys a striking spectacle of colour.

The lamp features a brilliant white blown-glass globe, hand-dipped in paint several times to create concentric rings of colour. The layering of paint moderates the light intensity when illuminated, performing as a shade and creating a range of ambient light to suit any décor.

A brushed brass cylindrical body supports the globe and has an in-line switch.

### DIMENSIONS

Small: 12.5 dia. x 22.2cmh

## MATERIALS

The globe is supported by a brushed brass cylindrical body and has an in-line switch.

The lamp comes in small size and is available in blue.

LED 3,4W 700mA 2700K 150lm.
