

Funiculi table lamp with fabric shade, 2018

Designer: **Lluís Porqueras**

Manufacturer: **Marset**

£324

DESCRIPTION

Funiculi table lamp with fabric shade by **Lluís Porqueras** for **Marset**.

The Funiculi family of lights were first designed in 1979 and derive their name from the concept of 'funicular' action.

The successor to the original Funiculí table lamp, the new version is available with fabric shade. First designed by Lluís Porqueras in 1979, this version of the lamp is now finally available this year.

Minimal in design, the new version perhaps is even more refined than the original.

The fabric shade filters light, creating a warm ambience. Height of the lamp can be easily adjusted as it shares the same structure as the original. This version is available in two different colours: sand or white. The structure is finished in black.

DIMENSIONS

19.7w x 41.5w x 61.4cmh

Base: 19.7dia

MATERIALS

Base and stem in lacquered iron. White or sand polyester shade, made of a PVC/PET laminated film. Base wrapped with black rubber
