DESCRIPTION

Funiculi Wall lamp with fabric shade by **Lluís Porqueras** for **Marset**.

The successor to the original Funiculí wall lamp, this latest version comes with a fabric shade. First designed by Lluís Porqueras in 1979, this version of the lamp is now finally available this year.

Minimal in design, the new version perhaps is even more refined than the original.

The fabric shade filters light, creating a warm ambience. Height of the lamp can be easily adjusted as it shares the same structure as the original. This version is available in two different colours: sand or white. The structure is finished in black.
