DESCRIPTION

Babila by **Marco Zanuso** for **Marset**.

Babila is an outdoor wall sconce that highlights the unique qualities of stainless steel. Boasting a circular shape that mirrors the environment, its uncomplicated yet striking appearance is eye-catching and reflects its surroundings, whether it's illuminated or not.

The contemporary light is available in two sizes and a range of finishes. The light generated is indirect and diffused softly from beneath the curved surface, helping the light to integrate with its surroundings.

Available in two finishes.
