## DESCRIPTION

**The W** by **PerezOchando** for **Marset**.

The 2022 design from PerezOchando is a flexible, large-format lamp that adapts to various lighting needs with a black vertical structure and adjustable rods. Move some rods upwards to expand the light and others downwards to focus it. The suspended spotlights, available in ivory, terracotta, or gold, evenly spread the light for a uniform glow.

Inspired by a winding machine, the designers focus on its shape for a functional design that can change shape to fit different spaces. From a 2 meter diameter for large areas to 1.2 meters for a smaller space, The W Pendant provides exceptional ambient lighting with its foldable design.
