

Copérnica lamp

Designer: **Ramírez I Carrillo**

Manufacturer: **Marset**

£1,276

DESCRIPTION

Copérnica lamp by **Ramírez i Carrillo** for **Marset**.

The Copérnica lamp is a geometric sculptural light designed by Ramírez I Carrillo. Minimalist and dynamic by design, the collection comprises a table and a floor lamp with a distinctive counterweight system made of aluminium and steel. This astute design allows for precise movement of the lamp, making it easy to adjust the height and distance to find the perfect position and direction for the light beam.

Available in two heights: M, a table light and P a floor light. The stem is available in Satin nickel or Graphite.

Tilttable diffuser in aluminium with a built-in switch.
