### DESCRIPTION

**Caro Marco CM3 Table** by **Niko Koronis** for **Marsotto**.

A harmonious balance of fullness, emptiness, light, and shadow provides the Caro Marcos range with a refined aesthetic. The tables are carefully crafted from a single block of Bianco di Carrara and completed by hand, with focus given to the marble's detailed and sculptural qualities.

The creation of this collection was inspired by two facets: the history and expertise of Marsotto and the exploration of new possibilities in production and aesthetics, including visual and tactile elements. As a result, the furniture features a minimalist design that combines sculptural forms with clean lines.
