

Kazahana 250 Plate

Designer: **Studio M'**

Manufacturer: **Marumitsu Poterie**

£50

DESCRIPTION

Kazahana 250 Plate by **Studio M'** for **Marumitsu Poterie**.

The Japanese word Kazahana refers to windblown snowflakes and inspired the unique design of these platters. Each plate features sharp and soft curved notches around the rim, referencing the shape of a flower.

Finished with a glistening yellow or white glaze, these exquisitely designed plates by Studio M' for Marumitsu Poterie will elevate your table setting.

DIMENSIONS

24.5w x 25d x 1.9cmh

MATERIALS

Made from porcelain with either a white or yellow glazed finish.

Some slight variations between pieces may be present as a result of the glazing and firing process.

Microwave and dishwasher safe, do not put in the oven.
