DESCRIPTION

Bruno sofa by Jasper Morrison for Maruni.

In recognition of and named after its Scandinavian roots, Bruno is a family of generous, wood-framed armchairs and two- and three-seat sofas. Jasper Morrison combined with the expert wood craftsmanship at Maruni to achieve its simple yet structurally well thought design.

The series gets its dynamic appearance from the side structures where the armrest forms bridges across the angled front and back legs. It is the epitome of luxurious comfort; featuring an ergonomic, carefully considered frame and angled backrest that gently supports the body.

"The combination of selected fabric or leather with the ash or oak wood structures gives the sofa a visual freshness." - Jasper Morrison.
