

Lightwood Armchair Cushion, 2011

Designer: **Jasper Morrison**

Manufacturer: **Maruni**

~~Was £989~~ Now £840

DESCRIPTION

Lightwood armchair cushioned by Jasper Morrison for Maruni.

Introducing the Lightwood collection, one of Jasper Morrison's first design projects while living in Japan. Inspired by the ability of Japanese architects and designers to make things light in appearance, Morrison combined with the expert wood craftsmanship of Maruni's to achieve the light wooden structure and visual transparency.

The versatile lightwood armchair is offered in a choice of fabric options. See 'product range' below for the various seat solutions available.

DIMENSIONS

52.2w × 47.8d × 46.7/79.8cmh

MATERIALS

Available in maple in the following urethane finishes: clear, red, black, matt white.

Also available in oak in clear and whitish urethane, and in ash with a clear urethane finish.

The wood used in this product is obtained from maple, oak or ash trees in North America that are managed and felled in a planned manner.

See downloadable spec sheet for further details on wood finishes.

The paints, adhesives and plywood used here suppress VOC emissions in manufacturing processes and finished products.

Please use the links below for upholstered fabrics and leathers available in the UK collection.
